

I am an XM Radio subscriber. Satellite radio provides variety and quality that are not available elsewhere. With satellite radio, I am not forced to listen to 54 minutes of advertising each hour; I can actually listen to programming that interests me. I pay for these services and it should not be up to the National Association of Broadcasters to dictate what I am permitted to hear. I am urging the FCC to reject the NAB's petition 04-160 and to support XM's ability to provide the kind of programming that I demand and deserve.

Thank you,

Brian R. Pretty
